UCL Department of Economics -- CMD End-of-Term Touchpoint

Clear explanations and ways of breaking down the question which are directly useful in understanding the material and exam conditions.

Statistics tutorials with Yue were truly amazing, one of best-taught tutorials I have been to. I have nothing else to say besides the fact that they were amazingly well-prepared.

Really loved Yue's Tutorial class! A very nice and responsible tutors~

The tutor teaches very attentively, with strong interaction in class. The tutorial notes are extremely helpful for my revision.

I really enjoy tutorials and think they're very informative, the PGTA always answers any additional questions we have

very clear, does a lot to ensure we understand.
